EDITORIAL

We're not content with just bringing you the hottest girls in the world every month, we like to delve into their lives a bit as well. But does that matter to you, the reader? Do you even read that bit? Do you care what Lexi Lowe's favourite colour is, or why such and such model called her cat 'Petal'? Well, we do, which is why we ask them but, let's be honest, it's also because we like hearing their voices. And we try our best to get them to say rude things. Some play ball, some leave us hanging. Good job they can't tell we're naked at our end of the call...

FLYING THE FLAG!

Dear Club,
Bloody hell, those pictures of Ava Dalush (Club 44/11) were amazing. I've seen some nice pictures of her in Club before, but that Californian air must be agreeing with her. It seems like a long time since the first UK porn invasion of the UK – when Angel and Ashley Long, Flick Shagwell and others were flying the flag. I reckon Ava could spark a new one. Michael, Dover

I think the main thing stopping the incredible British porn talent we've got from being as big as that last wave is the Yanks' predilection for silly visa requirements. We'd have thought just seeing Ava in the passport queue would be reason enough to wave her right through! Still, now she's over there, she does seem to be doing alright for herself, doesn't she? Let's see who's next...

Dear Club,

Men have always complimented me on my big tits and long lean legs, but to me, my best asset is my extremely long hair. Ever since I was young, I've managed to resist the various hair fashions in order to keep it as long and as straight as possible, even though it is a pain in the arse when I wash it, because it takes hours to dry. I think the end result is worth the effort though!

Anyway, the other night I was at the club in town. I'd had a few vodkas and was dancing like a wild thing in the middle of the dancefloor, when I noticed this really handsome guy watching me intently. When the music stopped I went over to the bar, and he came and sat on the stool next to me. While we chatted, he kept staring at my hair and after a drink or two asked me if he could touch it because he had always been obsessed by girls with long hair, and as mine reached my bum, he was in seventh heaven.

By the time we got back to his flat I was really hot for his cock, and the constant attention he was paying to my flowing locks was making my cunt nice and juicy. He'd been running his hands through my hair since the club, but suddenly grabbed a handful firmly and pulled my face to his. We kissed passionately his tongue pushing hard into my mouth as he held my head in a vise-like grip.

I pushed him down onto the sofa and tore his trousers down over his thighs. The huge bulge in his pants indicating just how turned-on he was. I yanked aside his pants and freed the massive stiffening meat before me; my hair tickling his naked crotch as my lips hovered above him, ready to give him the suck of his life.

"Not yet baby!" he said grasping my tits and holding me away from his dick. "I haven't finished with your hair yet."

Slightly confused at his rejection of a blow job I began to feel a bit annoyed but I needn't have worried. He gently took a length of hair and began wrapping it around his rock-hard prick. He started at his balls and entwined his shaft until it covered his shining, purple knob. He then did the same with another length, and another, so that his entire cock was wrapped securely in my hair and my head was expertly attached to a pulsing, throbbing penis.

His finger slid up inside my wet pussy and wriggled about in my love juice as my bullet

GREEN FINGERS...

Dear Club,

You've got it right – Emma Green really has got it going on now, hasn't she? I wasn't a fan at first, as I've never been into the 'soft nude'. I always thought that if you were on the top shelf you should get your legs open! So it's been nice to see her get ruder and ruder. I'm hoping she's open to doing some pictures with other girls soon – Dani or Ava would be nice!

Jason, Somerset

We delayed printing any pics of Ms. Green for that reason. Our readers want to see these lovely girls in all their glory, not just some of it!

hard nipples tickled his chest. Every time I moved my head my hair yanked on his dick and he groaned with pleasure. His finger-fucking became even more frantic, making me jerk my head from side to side with lust, which in turn wanked his bound member nearer to climax.

With a scream I came over his hand, my cum dribbling into his palm and down his arm. The sudden jolt of my body tightened the grip on his cock and with an animal yell he came, squirting his spunk directly into my open mouth. I gulped down as much of his sticky spunk as I could but there was too much and it splashed over my tits and dripped onto my tightly wound hair, matting it to his prick.

Exhausted, he fell back onto the sofa and I carefully unwound my locks from the softening, spunk-soaked member before me. He looked at his mess smeared around my mouth and running in rivulets down my breasts as I lifted strands of my cum-sodden hair to my lips and sucked the musky goo into my mouth.

I exaggerated licking along the length of each tangled clump until his dick began to stir again and he was ready to fuck me good and hard. After all, a girl likes her cunt to get a good seeing to when she's gone out of her way to fulfil a guy's fantasy!

A full-page photograph of Shae Snow sitting on an ornate, light-colored wooden chair with a patterned seat cushion. She is positioned with her back to the camera, but her head is turned to look over her right shoulder. Her legs are raised high and bent at the knees, with her feet pointing towards the top left corner of the frame. She is holding her buttocks with both hands. She has long, wavy brown hair and is wearing a large, light pink flower in her hair. She is unclothed. The background shows a light-colored wall and a wooden dresser to the left.

Shae Snow looks like butter wouldn't melt – at least from the neck up. "Everyone thinks I'm a goody- goody when they meet me!" complains the girl herself. "But hey – girls like sex as well, and it get's a bit frustrating when nobody ever

tries to chat me up because they don't think they'll get anywhere!"

What a terrible position to find yourself in! Well we can without a shadow of a doubt say prim and proper be Shae not! ♣

SHAE 

club's ROUGH GUIDE

This month, the return of televised sex noises turns the chilly tennis season steamy. Plus F1's rubber problem is getting the better of them...

ATP World Tour Finals

19-28 November
O2, London

Here we are again in November and with Wimbledon long since lost to us in a hot hazy strawberry clad memory you could be mistaken in thinking the tennis season over. Are the grunts flapping tennis skirts (not to mention knickers) and the overcrowded Murray Mound bound in hibernation till next year? Well if you had, then let the mind boggle with the The Davis Cup, which is currently underway and last but not least the ATP World Tour Finals, the grand finale for the tennis season; which no doubt will start again the week after. Jokes aside this is the clash of the Titans in tennis terms,

where the qualification alone is not for the faint hearted. So how does this work you may ask? Well to qualify a player who finished in the top 30 during 2014 must compete four Grand Slam tournaments and eight ATP World Tour Masters 1000 tournaments during 2015. ATP World Tour 500, ATP World Tour 250 and other events (Challengers, Futures, Davis Cup, Olympics) can also be counted towards their ranking. I've just broken a sweat thinking about it.

So far the usual suspects have qualified Novak Djokovic, currently ranked World No. 1, who has had a phenomenal season winning a third Wimbledon title. Also the two swish Swiss's Roger Federer and Stan Wawrinka, and finally: the Scottish trailblazer Andy Murray ranked World No. 3 who won his fourth title at Queen's earlier this year. Though Brits could be disappointed if they were hoping for a Monty win as Murray may withdraw in order to concentrate on the Davis Cup final commencing on the 27th.

Clearly a zenith for Murray, as it's been untouched by a Brit since Fred Perry in 1936. Let's face it, the dollar bills on offer would have your bank manager on his knees and shining your shoes at just shy of \$1.5 million, so Murray must be tennis in its purist form to consider sidestepping that bounty.

If you can get hold of some tickets the level of play will have you scooping your chin up off the floor. One to watch.

Formula 1 Abu Dhabi Grand Prix

27-28 November 2016
The Yas Viceroy Hotel

The smell of hot rubber, oil and champagne can only signify one thing... no not a night at the Playboy mansion, we don't wish to know about your Hugh Hefner fantasies. If I'd said the humming of a turbo charged 1.6-litre V6 engine with a capable output of 600bhp we might have been on track to talk about the pinnacle of motorsport, Formula One's final race of the season, hosted in the parched desert terrain of Abu Dhabi.

You only have to have glanced at a paper to know that it's been a stonking year for Mercedes, with Lewis Hamilton set to win the title and teammate Nico Rosberg left trailing in his wake, yet still in 2nd place with Sebastian Vettel a close 3rd for Ferrari.

It has also been a Championship of surprises with the young Max Verstappen, only sixteen when the season began. Considered too young to race by many he solidly proved his worth and outstanding capability with smaller team Toro Rosso, standing out as one of F1's natural future talents. Verstappen bears an uncanny early days resemblance to two time World Champion Hamilton, one also suspects he won't be with Toro Rosso for very long. Plus who could forget the exploding tyres at Monza

that provided a dizzy but entertaining race.

However we can't go on much further without mentioning the embarrassing race, nay season for McLaren. In particular the home course Japanese Grand Prix, that saw Fernando Alonso fighting valiantly throughout to keep up. The Honda engine that has seen the once mighty McLaren fall to its knees is reportedly carrying a deficit of 100-200bhp in comparison with the other teams.

So barring something incredibly dramatic happening, Hamilton should be taking his third World Championship. Thus tying Hamilton with the iconic and legendary Jackie Stuart.

Does the world need a recreated ZX Spectrum? Retro gamers already play ROMs on PC emulators, there are decent smartphone apps that let you do the same. Is this pointless? It seems not, judging by the speed with which it hit its Kickstarter target. There are a couple of keys and a D-Pad, and it's packed with 1000 games, although it's be missing a few classics. The lack of HD is a shame, but fire up some Ultimate Play the Game classics and such quibbles quickly disappear.

We now live in a world of giant iPads and iPhones as big as the old iPads. What happened to miniaturisation? Don't expect a revolution from the new iPhone – something perhaps reflected in the lack of hype and those queues full of people who could just as well wait a couple of days but want to make it onto the news. 3D Touch is a nice innovation and works well, the camera is brilliant and, really, that's about it. Storage for the cheaper versions is still too tiny and will be taken up by updates, and the battery still doesn't cut it and makes you invest in a charging case. Plus ça change

Pros: Camera is the best yet.**Cons:** A lot of money for treading water.

Headphones, B & W are a big deal. Their headphones sound great, look beautiful (especially when you compare it to something like – ugh – Skullcandy) and are comfortable to wear. You pay for that, of course, and some users have reported problems with cables (although they are not cables). Wireless usually means a sacrifice in sound quality, but B & W seem to have sidestepped that due to Bluetooth aptX, so we can wholeheartedly recommend these, even if there is just enough sound-bleeding to ensure it gets up the nose of the person next to you on the train.

Pros: Cable free but brilliant fidelity.**Cons:** No noise cancelling.

COCK LOVE!

Yeah, it's okay, we've got the place to ourselves all day. My flatmates are all out at work – I just hope you make it worth my while skiving off. I reckon you probably can!

So, don't I get a kiss, then? You know I love to feel your tongue in my mouth, it makes my pussy ache. I know what I'm going to get when you go down on me. I'll be well moist by then, and you'll be trying to lick up every drop of my juices. You love how my pussy

tastes, don't you? Me too. It's so horny when you kiss me and I can taste my cunt on your lips and tongue, especially when you've licked me out after a fuck. Do you like eating your own spunk out of my cunt? Yeah, right, silly question! Wanna lick me later? Till I cum in your mouth?

You're nuzzling my neck now, kissing your way down to suck on my nipple. Mmmn! You're sucking really hard, rasping your tongue against the tip, and stroking the other one, pulling on it and rolling it between your fingers. My clit's beginning to throb and tingle, too. Maybe you should give it some attention.

What? You like my little surprise? Thought you would. That time back at yours, when we were reading that mag together and you said how much a trimmed slit turns you on. I only finished clipping it about an hour ago, so you can get to see the works when you get around to licking it. I know, it feels so soft and silky, doesn't it? I couldn't stop stroking it, that's why I'm already so wet. That and the anticipation.

That's it, slide your hand into my panties and tease my fanny a bit. Now... yeah, that's it, just the very tip of your finger. Yeah, slide it in, right in. I know, I'm really wet for you. And tight. No, I'm not clenching my muscles, they're doing it all by themselves because of what you're doing to me. Mmmn, keep doing that to my clit. Rub it nice and slow – don't stop till I cum...

Your cock's already rock hard and ready for me. I'm stroking it gently, teasing it, tracing

“Just as you think I'm going to take your cock in my mouth I lie back on the floor, spreading my thighs.”

along the veins with the tip of my fingers. Now I'm sliding my hand up and down it. I'm starting slowly, feeling every inch of it slip through my fingers, all thick and warm, but speeding up as you pull your fingers out of my cunt, and I lick and suck them clean for you, one by one.

“Suck me,” you're saying, so I'm dropping to my knees, wanking your cock right in my face. I stick one hand in my crotch and scoop out some juice, then smear it all over my tits. We both know they're not the biggest boobs in the world, but they're really firm. You love rubbing your cock against them, grinding the head of it against my nipples. They're really stiff, and you're using them to tease the underside

of your helmet, to probe your love eye. I can feel your warm pre-cum oozing out and trickling down. Now I'm taking over again, slapping your knob-end gently and wetly against my boobs and nipples.

Just as you think I'm going to take your prick into my mouth, I lie back on the floor, spreading my thighs. You just stand where you are for a few seconds, wanking yourself as you eye up my body. You like your women small and slim, don't you? From where I'm lying, your prick looks even bigger than ever. You see that I'm staring at it, see my body spasm as I feel a twinge, almost a tiny orgasm, in my pussy.

Now you're kneeling right in between my thighs. You grab my thong and pull it tight against my clit, before tearing it right off – that's such a turn-on to me, knowing how much you want to fuck me. My pussy's naked now. Doesn't it look good trimmed? I knew you'd like it. You're rubbing your prick over it, like you did with my tits and face, dipping the very tip of it into my soaking hole, then slathering my cream all over my labia and mound. You love how my smooth, naked

“It's a tight fit, I can feel it stretching my pussy, opening me up, but I'm so wet I can easily take it.”

skin feels against your prick, don't you? So hot and wet and sticky . . .

You're in control and loving it. You know my pussy's aching out of desperation to take you inside. Each time you touch your cock to it, you feel it twitch and clench, and the juices running out. Now you're using your fingers to part my outer lips, splaying them wide so you can rub your knob over my clit. I'm bucking my cunt against you, but you hold back, until all I can do is moan in frustration. “Please fuck me,” I murmur.

“You only had to ask,” you say, and slide your prick inside me in one go. It's a tight fit, I can feel it stretching my pussy, opening me up, but I'm so wet I take it easily. In fact, with my cunt hairs clipped, I feel like I'm twice as wet as ever. My juices are pouring out and streaming down my crack, all churned up and frothing from the deep, hard fucking you're giving me. Trimming my pussy has also made it feel about ten times more sensitive: your hairy crotch and balls are

rubbing up against it, and I'm reaching the brink of another orgasm. My pussy's well tense – can you feel it clamping hard around your shaft? Yeah, that's it push in hard, right down to the hilt . . . Now grind your hips . . . Give me that big cock, all of it, now . . .

How the hell can you hold back so long? I hump against you, desperate to feel you cum inside me. Instead, you stop. You make me watch as you pull out of me. My pussy, pink and puffy from cumming, looks like it's trying to suck you back in. Your prick slides out,

glistening wet, little sticky strings of my cum-juices stretching between its tip and my hole.

Okay, I'll straddle your face. I'll splay my thighs really wide, so you can get your tongue right inside me. Oh! That's it, use your fingers to open me up, and . . . yeah! Rub my clit, just like that . . .

I'm grinding my cunt against your mouth, now, and using my long blonde hair to brush and whip against your prick. Yeah, I did say I'd suck you. I'm licking your cock all over, working my way up from your balls. They're soaking wet with my juices. I'm lapping my way right up your shaft – it's straining hard now, and the pre-cum's dripping down over your helmet. Better lick that up quick. Mmmn . . .

I'm using my lips to tease your cock, now, closing them round your tip, tonguing up your salty fuck-juices. I'm going to take it in my mouth, little by little. I'm sucking you in, swirling my tongue around, teasing, taking you in deeper and deeper. You're bumping

right up against the back of my throat, now, and your shaft isn't even halfway inside.

Mmggmmn! It's hard to moan out loud when you've got a throat full of big, thick cock, but I love what you're doing to me. You've got three fingers down to the knuckle in my cunt now, and you're sucking on my clitoris. Now you're – yeah – you know how much I like it when you finger my arsehole, how hard it makes me cum.

I'm still sucking away, and wanking the base of your shaft and massaging your balls. They're really hard, all swollen up full of spunk. I'm squeezing them, rolling them in your sac, rubbing them against my chin. I want to suck on them, but I don't want to stop sucking your cock.

Did you feel that? The way my pussy spasmed. I'm going to cum again, right in your mouth. You want to come, too – your balls are bunching up, but I'm holding, holding you back until I'm there, too

You know how close I am now. You've clamped your mouth over my hole, and you're pinching and rubbing my clit. You're pumping two juice-lubed fingers in and out of my arsehole and – ohhh! Your cock is pulsing now, there's no holding you back. Your spunk is shooting out over my tongue. I let your cock slide out of my mouth, guiding it down over my chin to my tits. I'm rubbing it over them, watching it spurt thick cream all over my pale skin . . .

I'm sucking you again, now. I love to feel a cock going hard in my mouth. Next, I'm going to slide down your body, rubbing my juicy cunt against it as I work my way down to your cock. I'm straddling your prick, now, and I'm playing the head of it against my slit. So which hole do you want to fuck me in next? It's entirely up to you, baby...

Dana, Harrogate

"I'm using my lips to tease your cock now, closing them round your tip, tonguing up your salty fuck-juices."

GET YOUR MOTOR RUNNIN'!

I've got this really cheap, shitty car that keeps breaking down on me. I'm always cursing it, but recently I had reason to be glad to be stranded at the side of the road yet again.

I had the bonnet up and was peering at my engine when this van pulled up behind me. This friendly-looking guy got out and asked me if I needed any help. He wasn't really good-looking, just sort of average, but there was an instant click between us. Like some chemistry going on, you know?

I told him all the boring shit about how my car kept breaking down, but all the while my mind was like, 'Wow! I've gotta get my hands on this guy, he's really getting me wet!' He started saying loads of technical stuff and my eyes must've glazed over, 'cos he stopped talking. We were both silent, staring at each other, the heat crackling between us.

"Wanna go somewhere?" he said.

I nodded and got into his van. He drove off down the road and then turned onto an old track. As soon as he switched the engine off we were all over each other. My God, I just couldn't get enough of him! He had his tongue down my throat and I could already feel his fingers pulling at my panties, and touching my sexed-up pussy. He wasn't shy – he just went straight for it.

Within a few minutes we'd stripped each

"I started riding up and down his cock, my pussy walls clamping hard on his shaft..."

other off and the guy was grabbing my arse and pulling me on top of him so I was straddling his cock. It was thick and hard; it felt like a red hot poker sliding up my cunt. As I started riding up and down his cock, my pussy walls clamping hard onto his shaft, my new stud started fondling my tits and bringing my nipples up to his mouth. I was starting to cum already, the action of his teeth and tongue intensifying the pleasure from every stroke of my cunt up and down his cock.

"Oh yeah!" I screamed as I came. It was so fucking good!

Then the guy's cock was getting too much for me so I had to stop. But I wasn't going to leave it there – not with a hard-on like his! I sat back in my seat and leant over so my face was in his lap. Then I took his cock into my mouth and sucked him hard to the back of my throat. My pussy was still throbbing hotly from my orgasm as I sucked him harder and harder, bringing him off in my mouth. His hands were in my hair, getting my pace just right for him. Pretty soon I got a thick creamy jet of his salty spunk right in my mouth!

After that he took me to a garage, so I could get a mechanic to mend my car. All the technical talk he used turned out to be bollocks too – he was just trying to impress me. I never found out his name, but I hope I meet him again some time soon!

Cally, Dunstable.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

STRESS BALL!

My man and I both work in high-pressure jobs, for the same firm – that's how we met – and we've found shagging is the best stressbuster. We aren't short of places to fuck. We've got the run off the office when we're both on a graveyard shift, but it's more fun to sneak a bonk during business hours.

One week, Jeff was having a particularly hard time of things, so I sorted out a very horny treat for him. He's got a real thing for anal sex, but obviously it's not something you can rush. I usually need him to take ages over lubing and loosening up my arsehole, but this time I did the hard work for him.

I emailed him, telling him to meet me in one of the store-cupboards, and about half an hour before that, I slipped into the loos. I had a big tube of

lubricant and a big butt-plug about the same girth as his cock, which I'd bought without him knowing. It had a tapered end, before you got to the thickest part of it, and with the gel slathered all over it and my arse, it was easy enough to slip in.

It was still quite a tight fit, and I got that 'stuffed full' feeling I always get when Jeff does me up the arse. There were still ten minutes to go, so I went back to my desk, avoiding sitting down at all costs. Of course, the chairman of the company chose that second to give a load of important-looking business contacts a tour of the office, and I had to stand there, smiling politely, with six inches of sex toy up my arse.

I made sure I got to the cupboard before Jeff, and when he walked in – thankfully it WAS him! – he found me bent over, with my arse opened up ready for his cock by the plug and slathered with more lube. He walked around the front of me, so I could suck

“He found me bent over, with my arse opened up ready for his cock.”

him to hardness and lube him up, then he just got in behind me and just sunk in me, smoothly and in one go. He went in so deep, I groaned with pleasure as I felt his balls press up against my arse cheeks.

The cupboard's pretty safe in terms of not getting caught, and we had quite a leisurely fuck. That wasn't really the idea—I wanted Jeff to be able to just bang away into me, to relieve his stress, and that's what happened as he got closer to cumming. I heard as well as felt his crotch going slap-slap-slap against my arse, and as I reached down to play with my clit, he fired a big hot load right up my tight hole. And he hadn't quite finished cumming before I orgasmed hard, the juices trickling out of my open pussy.

“Can we do this again tomorrow?” he

laughed, when we'd got our breath back. I told him we'd do it any time he was having a harder day of it than me. Which doesn't happen often, but it makes it more of a treat! *Julia, Lincoln.*

RUMP RIDER!

I met Naomi at a conference last year and we hit it off really well. Afterwards we went to her hotel room and had the hottest sex. There's no messing around with this lady. Although Naomi is married she also likes to play around a little, so every so often we meet up for fun.

She's the sexiest woman I have ever met, and I readily admit that if I could lure her away from her man I would do so. Of course our relationship is based almost entirely on fucking so maybe we'd have nothing else in

common, but just the thought of waking up next to her sexy body every day drives me crazy and I wish that could happen.

Fortunately, however, her husband travels frequently, and during those occasions Naomi and I meet and have the most amazing sex. The fact that she needs to be screwed silly as often as possible is a tremendous turn-on and I am always more than ready to drop whatever I am doing and rush over to jump her the moment I get the call.

We don't waste our time on small talk. Naomi is always naked and waiting when I arrive, and as soon as I walk through the door I make my way to her bedroom, loosening my clothing en route. Our last shag was last Monday morning, and we followed the usual routine. As soon as her hubby had got on his plane she called me from her mobile on the drive home.

She was naked and waiting on the bed for me when I walked in the door. I lost no time stripping off, and within moments of my arrival I crawled up the bed, and, gently touching her lips with mine, I slid the throbbing head of my dick between the slick swollen wet lips of her pussy. Nudging it against her clitoris I watched her pussy lips give way and squeeze tightly around it as though sucking it in.

Naomi is very vocal and loves to talk during sex, and this time was no exception. “Fuck my hot pussy,” she kept saying as she rocked her hips upward, grinding her clit against my hard shaft. “Please screw me,” she whispered, then she ran her tongue-tip between my lips.

“Fuck me,” she demanded, her passion rising as she bit down on my lip. “Do me now!” Her hands gripped my arse-cheeks and she ground her pelvis hard against mine. I laughed at her impatience and teased her by pulling out my cock and holding it at her dripping entrance.

“Please,” she begged, so I mounted her again, penetrating her. With one swift thrust I buried the entire length of my prick inside her. Naomi squealed and clawed at my buttocks, pulling me forward as her back arched. Stabbing my cock deep inside her I felt her pussy muscles flex around my shaft as she moaned and writhed beneath me.

I pushed her legs back, held them there and positioned myself so I could give her a really deep pounding. When I shunted my dick back inside her she whimpered, clawing my flesh as I jabbed my cock back

“Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring.”

and forth with short, quick strokes. I rode her deep, thrusting and withdrawing, listening to Naomi's breath coming in gasps.

She begged me to allow her to orgasm, but I ignored her pleas and rode her like this until she trembled with every push of my hips. Digging my toes into the mattress, I rolled her back onto her shoulders, and changed to fucking her pussy with long, slow, hard strokes. Her hands held onto my arms now, giving her extra leverage to thrust her hips up to meet my plunging cock. Our bodies moved together in a rhythm, and I fucked her using a downward stroke which pressed me tight against her so she felt the friction of my thrusting shaft against her stiff little clitty.

Naomi's hips bucked on the mattress as I slammed into her repeatedly. Then she sank her teeth into my shoulder as she came, her sweet wet cunt gripping tightly around my hard cock as her body shuddered with the intensity of her climax. She shook time and again, her breath coming in short gasps of pleasure before she finally dropped back against the pillows.

I smiled down at her, deciding where on her beautiful body I was going to shoot my load. I had been going to opt for spraying my load on her gorgeous DD tits, but then I thought of her lovely pink rose-bud and reconsidered. Deciding on an anal pop, I rolled her over and began to stroke her buttocks gently with my fingertips. Pinching the tip of my cock to keep it good and hard, I spread her cheeks and ran my fingers from her sopping wet pussy to her arsehole.

Fingering her tight ring I teased it open

with my finger and then bent to lick it. Naomi squirmed as I rimmed her, moaning softly as I pushed my tongue against her ring. Looking back at me with a grin she reminded me that there was some lube in the drawer by the bed. Knowing that she likes to be well lubricated for anal I wriggled over the top of her and reached into the drawer to get it.

I squeezed a good dollop of the cold lubricant on her anus and gave my shaft a thick coating of the stuff. Pulling her bum-cheeks apart I nudged my cockhead against her bumhole and prodded it a few times to prepare her before pushing my way inside.

Naomi raised her arse slightly as I inched my way inside, relaxing her anal muscles so that I could fully penetrate her. She grunted and growled as I fucked her arse, rubbing her clit in time to every stroke of my cock. She kept yelling at me to fuck her harder, while I held on to her hips and pounded her tight little hole until I could feel my spunk welling up in my balls.

“Go on!” she urged me. “Cum inside my arse!” That was too much! I gave her one more hefty thrust and unloaded my cream deep into her fabulous, incredibly shapely rump.

Ben, Wycombe.

MARIE ♣

Red hot poke her...

Hold on to your hats boys there's a raging redhead in town and Pre-Raphaelite stunner Marie has had us longing for some artistic skills that go further then drawing stick men. Her titan beauty that knows no bounds has stoked the fires, with us picturing roughish Arthurian scenes on canvas and well Marie under canvas of course...♣

MARIE 

What our well-placed moles are telling us this month...

DOWN THE WIRE

Smoke the Roofa!

Pass the dutchy to the left!

TAKE ME TO YOUR DEALER

It's raining weed, marijuana, Mary Jane. Whatever you want to call it the Weather Girls didn't forecast this little episode for Maya Donnelly of Nogales, near the U.S.-Mexican border. Donnelly awoke to what sounded like thunder in the early hours of the morning and dismissed it as typical for the time of year. It wasn't

till later that morning that she noticed a perfectly round hole in the roof of the carport and roughly 26 pounds of marijuana with an estimated worth of \$10,000 lying on her dog house. Police reported the incident as an accidental drop by a smuggling aircraft. We call that spliffing news!

Piss Poor Show!

The accused must have misheard and thought the officer knocking at his door asked for a urine sample, which is what he got. Alfonso Loftin put in a call to Palm Beach County Police department; an officer was dispatched to the 40-year-old's address and greeted with a rather large splash of unidentified urine. A struggle ensued in which the 300-pound suspect resisted arrest. A litre of loo-litter later and Loftin was eventually arrested on two counts of aggravated battery.

Coco loco!

That's it, grab my twirl for a wild whirl!

How much do you hate your job on a score of 1 to 10? Whatever your score, it won't be as high as 22-year-old Kristofer Pregent who's off the richter scale! Pregent was charged with false public alarm, petit larceny and unlawful mischief after calling in a bomb threat. One Monday night at the Barry Callebaut chocolate factory Pregent stole a phone and impersonated his co-worker on the 911

call, before tossing the mobile in a toilet tank. Once the police had tracked Pregent down the suspect denied the whole thing but later confessed, citing unhappiness in his job and wanting to get fired. Well you've blown our minds!
